

Gallagher MB150 Energiser 230v/12v

£165.83

The MB150 is a multi-power energiser that works on 230V, but it can also be used with a 12V battery. The energiser is easy to move, because of its unique design. The LED shows the status of the battery when it is connected. The energiser can power fencing of up to 15 km and comes with a set of connecting cables. A 230V/ 15V mains adapter is available as an option (art. 401218).
