

JFC Helios Solar 03 Floodlight

£91.99

The JFC Helios Solar 03 Floodlight is the ideal solution for someone looking for flexible and self-sufficient lighting (10x15m). The Helios can be switched on and off and dimmed by remote control. Recommended installation height 2-3 metres with a detection distance of 8-12 metres. The solar panel can be mounted up to 5m from the light giving it maximum versatility. This light is ideal for indoor or outdoor areas including sheds, barns, stables and workshops.
